Intelligent Handheld Inkjet Printer / Coding Machine

HIP-LB127

PRODUCT DESCRIPTION:

Print Mode:

✓ Key Trigger, this mode used for handheld only;

✓ Automatic: It will print automatically;

✓ External Sensor, this mode used for online continuous printing;

Support Barcode Formats:

Barcode_128,Barcode_39,Barcode_93,EAN13,Datamatrix,UPCA,

UPCE,GS1,128

The printer is not encrypted, you can use any ink cartridges.

SPECIFICATION:

Print Head	Thermal inkjet 2.5
Operation System	Linux
Interface	USB，Photocell
Printing Distance	2-5 mm to ensure the best print quality
Support Language	Chinese, English, Korean, Persian, German, Persian, Turkish, Portuguese, Spanish *(We welcome all kinds of OEM/ODM. Contact us once you have a brilliant idea!)*
Print Resolution	300DPI maximum
Printing Height	1~12.7 mm adjustable
Printing Length	Unlimited
Ink Type	Water-based，Solvent
Ink Capacity	42 ml
Ink Color	Black, White, Red, Blue, Yellow, Green, Invisible, UV
Printed Content	Chinese, English, numbers, symbols, QR code, bar code, pictures, dates, counter, variable data
Printing Materials	Boards, carton, stone, pipe, cable, metal, plastic, electronic, automotive parts

Battery	2600mAh
Adapter	AC input 100~240V; DC output 16.8V/2A
Machine Material	ABS
Machine Size	240* 110 *140 mm
Machine Weight	750g
Use Environment	Temperature 0-45 ° C (20-30 ° C best), Humidity 40%-60% Rh

KEY FEATURE:

➢ **Light weight and Compact**

Ergonomic and compact design for any kinds of working condition

➢ **Endless Printing Possibilities**

Print almost everything on any porous surfaces

➢ **8 Hours of Continuous Printing**

Built-in 2600mAH rechargeable lithium battery

3 hours of charging brings 8 hours of non-stop operating without plugged in.

➢ **4.3 Inch LED Touch Screen**

High resolution display, touch sensitive and accurate, easy to operate.

➢ **Multiple Color Ink Cartridges**

7 Colors to Choose to print your contents (Black, Blue, Red, Yellow, Green, White, Invisible)

➢ **Support U disk import**

➢ **Handheld online dual purpose**

➢ **HP solvent quick-drying ink cartridge**

➢ **Bring your own storage(Text, BMP, JPT)**

➢ **HD coding**

➢ **Supports printing up to 8 lines of text**

➢ **Supports high revolution of monochrome picture in PNG, JPEG, And PNG formats.**

APPLICATION:

Food Industry

Beverage Industry

Electronic Components Industry

Cosmetics and Care Products Industry

Building Materials Industry

Automobile Industry
